

West Oxford Community Association Grant Application Form

WOCA is occasionally able to offer grants and donations towards various activities.

As this involves disbursement of moneys held on trust by WOCA for the residents of West Oxford, we need to ensure that any grants or donations are made in accordance with our Constitution. Support may be offered in the form of free or reduced rate accomodation as well as in the form of a money grant, but we still need to have some record of the value of support given.

Please complete this form and return it to Mrs J Smith, Secretary, WOCA, West Oxford Community Centre, Botley Road, OXFORD, OX2 0BT.

The application will be considered by the committee at its next meeting (normally the second Monday of each month). Applicants are welcome to attend in person if they feel this would help their application.
